

Commercial Top-Load Washer

With 100 years of experience in the industry and features that streamline service, Whirlpool® Commercial Laundry machines provide performance with the quality you expect.

Featuring Factory-Installed
Coin Slide and Coin Box

Commercial-Grade Features:

Choose a commercial-built product that withstands heavy traffic, regular use, and performs continuously.

Deep-Water Wash System

Provides optimal wash performance with deep-water wash and rinse cycle options and vigorous cleaning action.

Traditional Flex-Vane Agitator

Provides four distinct wash profiles—from aggressive to gentle—designed to pull clothes from the top to the bottom of the wash basket.

Galvanized, Heavy-Gauge Cabinet

Built from thick-gauge, high-quality steel, this cabinet handles high-traffic and constant use while offering top-caliber protection to the internal components.

Commercial-Grade Motor

The immensely powerful, ½-HP motor is designed to effectively deliver consistent, quality cleaning performance for any load—both the everyday and the extra-large.

Premium Bearings

The high-quality bearings minimize friction as the machine runs, and are sealed for added longevity, helping to keep the machine running smoothly with every cycle.

Full-Wrap Console

The metal console wraps completely around the back of the machine, making it easy to clean, and offering optimal protection against unexpected liquid spills or vapor.
