

WB243318

420 lbs Production/24 Hours

WB243319

350 lbs Production/24 Hours

FEATURES

- Produces up to 420 lbs (WB243318), 350 lbs (WB243319) of ice per 24 hrs
- Durable, 304 stainless steel
- Push-dispenser and self-cleaning button for ease of use
- Food grade PE + SUS304 stainless steel
- Environmentally friendly PE material
- DOE, Energy Star, ETL/cETL sanitation (NSF standard)

DIMENSIONS

Width	22-1/16 in.
Depth	33-11/16 in.
Height	75-11/16 in.
Weight	285 lbs.

Certifications

DOE, Energy Star, ETL/cETL, ETL Sanitation

Product Details

Storage Capacity	130 lbs
Type	Ice Dispenser with Ice Machine
Color	Silver
Mounting Location	Freestanding
Voltage	115 V
Ice Cube Type	Regular Cube
Material	Food Grade PE, SUS304 Stainless Steel
Dispenser Type	Push Button

Warranty

3 year parts

Description

The Nexel® Ice Cube Machine With Ice Dispenser & Bin offers a convenient and hygienic solution for dispensing ice in vending areas of hotels, motels, resorts, and hospitality spaces. This commercial dispenser is designed to provide approachable access for anyone to use so guests can directly and easily retrieve ice at their convenience without the need of staff. Easy push-dispenser operation offers a more convenient and hygienic method for taking ice. Ice cube machine features a self-cleaning function and an "ice full" sensor for automatic shut-off when ice bin is full. Different regular type ice sizes can be selected. Unit evaporator is copper nickel-plated for more effective anti-corrosion.
